You may request access to the personal information that we hold about you.

A19. Electronic identity verification

- (a) We may use the personal information collected about you for the purposes of verifying your identity in accordance with obligations under anti-money laundering and counter-terrorism laws that apply to any trading activities undertaken on your behalf or other services provided to you. You are not required to provide your TFN. If Openmarkets is unable to quote your TFN, ABN or exemption to registries, they may be obliged to take tax at the highest marginal rate from any dividends, distributions, interest and payments to which you are entitled, and you may wish to seek independent advice in this regard. - (i) There are two different compensation arrangements that may provide protection for retail investors trading on Cboe Australia: NGF Arrangements or Division 3 Arrangements. This is because, on 26 October 2020, Cboe Australia became a member of the Securities Exchanges Guarantee Corporation (**SEGC**), which operates the NGF.
 - (ii) From 26 October 2020, the NGF may apply in the circumstances set out in Division 4 of Part 7.5 of the Corporations Act 2001 and Corporations Regulations 2001. Transitional arrangements apply and these are set out on the SEGC's website at segc.com.au. For further information on the National Guarantee Fund and what it covers, please contact SEGC, see the SEGC website and refer to Division 4 of Part 7.5 of the Corporations Regulations 2001 (Cth).
 - (iii) When do the Division 3 Compensation Arrangements apply? Where a retail investor suffers a loss in respect of conduct, a transaction or insolvency that occurred before 26 October 2020, that loss may be covered by the Division 3 compensation arrangements. Section 11 of the Cboe Operating Rules outlines the Division 3 compensation arrangements, including the cessation of the arrangements on 25 October 2027 and the requirement, while the arrangements are in place, to make a claim no later than six months after becoming aware of the loss to which the claim relates. Section 11 also outlines that the losses covered by Division 3 are those resulting from defalcation or fraudulent misuse of your money, property or authority by a Cboe Australia participant.
- (c) Openmarkets has professional indemnity insurance which Openmarkets considers is adequate having regard to the:
- (i) the volume and types of business carried on by it; the number and types of its

- clients; the number of its representatives; and
- (ii) any particular or potential claims that may arise pursuant to our participation in external dispute resolution schemes, including the AFCA scheme.
- (d) Openmarkets considers that these compensation arrangements satisfy the requirements of s912B of the Corporations Act and associated regulations.

Section 6: Termination

A24. Termination

- (a) Openmarkets may terminate all or any part of this agreement or any service we provide to you at any time and for any reason and close your account by giving written notice to you and such notice may be communicated to the Intermediary. This may occur if Openmarkets' agreement with a key third party ends. For example, we may terminate services if we provide you International Securities related services and our agreement with an international broker ends. You acknowledge that if the Intermediary stops using our service, your participation will also be terminated. Termination of the your participation does not affect your outstanding obligations under this agreement or any other agreement you have with Openmarkets. Except for nominee services (to which subclause (b) below applies), you may terminate this agreement and close your account by giving written notice to Openmarkets. The termination of this agreement does not affect any rights or obligations of the parties which may have accrued prior to the termination of this agreement.
- (b) Subject to the completion of any outstanding obligations, you may terminate the nominee services that we provide to you by giving not less than seven days written notice to Openmarkets Nominees. On termination of the nominee services, the Intermediary will close your account, and unless directed otherwise by the Intermediary, Openmarkets Nominees will sell the Financial Products it holds on your behalf and transfer the cash proceeds and any other cash balances it holds on your behalf to you, or as directed by the Intermediary as your agent, in accordance with these Terms and within a reasonable time.

- (f) To the maximum extent permitted by law, and in addition to any other limitations of our liability in these Terms, in no event shall we or any of our officers, directors, agents, representatives or employees be liable for any damage, claim or loss (including, without limitation, incidental loss, indirect or consequential loss, exemplary damages, loss of profits or loss of revenue) incurred by you in connection with loss or corruption of data, loss of access to data, viruses, operator errors, unauthorised access, other security breaches, failure of equipment or communications lines or business interruption, arising out of or related to the use or inability to use the Software, however caused.

A26. Joint Holder

You warrant that if you enter into this agreement with Openmarkets as a trustee, you have the authority to enter into these Terms and Conditions and any related agreement to these terms (including the CHESS Sponsorship Agreement) in both your personal capacity and as a trustee.

You warrant and represent that it is authorised to enter into these Terms and Conditions and to do any action contemplated by this agreement and that all necessary corporate or other action has been taken to make this agreement valid and binding.

A29. Waiver

A30. Entire agreement

This document contains the entire agreement between the parties about its subject matter. Any previous understanding, agreement, representation or warranty relating to that subject matter is replaced by this document and has no further effect.

A31. Statements by Openmarkets

A statement by Openmarkets on any matter relating to this agreement (including any amount owing by the Client) is conclusive unless clearly wrong on its face.

A32. Exercise of rights

No failure or delay on the part of Openmarkets in exercising any right, power or remedy under this agreement and no course of dealing between Openmarkets and the Client shall operate as a waiver of any breach or default by the Client nor shall any single or partial exercise of any such right, power or remedy preclude any further or another exercise of that or any other right, power or remedy.

A33. Assignment

The rights and obligations of the Client under this agreement are not capable of assignment. Openmarkets may assign or transfer its rights under this agreement or in relation to any Openmarkets Cover without the consent of the Client and free from any rights of set-off or counterclaim. Part B: Equities terms and conditions

Section 1: General terms

B1. Your trading account and agreement with Openmarkets

- (a) By completing an application form with an Intermediary or receiving any trading services provided to you (whether directly or through your Intermediary), you:
 - (i) establish a Trading Account with Openmarkets through which you can place Orders to transact on a Securities Exchange; and
 - (ii) accept and agree to be bound by the terms and conditions set out in this Part B which becomes part of the legally binding agreement between you and Openmarkets.
- (b) You must read and understand these Terms and Conditions. If you do not understand these Terms and Conditions, or any part of them, we recommend you obtain advice from your lawyer before you agree to them.

B2. Role of Openmarkets and our relationship with you

- (a) Openmarkets is a Trading Participant of one or more Securities Exchanges. Openmarkets is also admitted as a Clearing Participant in accordance with the operating rules of ASX Clear, a wholly owned subsidiary of ASX. If you wish to buy or sell or otherwise deal in Financial Products on a Securities Exchange, the Intermediary will (as your agent) communicate your Order to Openmarkets. Openmarkets will, subject to these Terms and Conditions, execute or facilitate that Order on your behalf and will clear and settle the Transactions that result from the execution or facilitation of your Orders. Accordingly, Openmarkets will carry the obligations to complete the sale or purchase, together with all the obligations which are ancillary to the completion, regardless of whether you hold the shares in your name or they are held by us as your nominee (**Settlement Obligations**). Openmarkets must also settle such Transactions as principal with ASX Clear or the relevant counterparty even though the Transaction was entered into on your behalf. Accordingly, your clearing and Settlement Obligations under the sale or purchase contract are owed directly to Openmarkets and not to the Intermediary.
- (b) If you fail to complete a contract in accordance with the ASX Clear Rules or fail to pay the amounts due in respect of a Transaction, Openmarkets has direct rights against you, including rights of sale under the Exchange Rules and ASX Clear Rules and those described in these Terms and Conditions.

B3. Application of Securities Exchange rules

You acknowledge and agree:

- (a) to comply with these Terms and Conditions, all applicable laws, the Exchange Rules, ASX Clear Rules and ASX Settlement Rules and the directions, decisions and requirements of each Securities Exchange and the customs and usages of the Market. Upon request, you are able to inspect copies of the Exchange Rules, ASX Clear Rules and ASX Settlement Rules at the Intermediary's offices; and
- (b) that all Transactions are subject to the Exchange Rules, ASX Clear Rules, the directions, decisions and requirements of a Securities Exchange and the customs and usages of the Market, the correction of errors and omissions and if the sale or purchase is in relation to

Financial Products approved for settlement by ASX Settlement, the ASX Settlement Rules.

B4. Orders and instructions

- (a) You agree that:
- (i) if you wish to place any Order or provide any instructions in respect of your Trading Account, you must do so with the Intermediary (such communications are to be given in the form and manner agreed with the Intermediary from time to time), and you authorise the Intermediary, as your agent (and not as the agent of Openmarkets), to communicate your Order and other instructions or information to Openmarkets;
 - (ii) any Order is subject to terms agreed between Openmarkets and the Intermediary in relation to the execution and processing of Orders;
 - (iii) Openmarkets may provide communications to you through the Intermediary and not directly to you.
- (b) You represent and warrant to Openmarkets that you have authorised the Intermediary to communicate and provide instructions to Openmarkets on your Trading Account on your behalf and have access to all and any information relating to the Trading Account or services provided by Openmarkets. Openmarkets will not act on any Orders or other instructions, or information communicated directly to it by you (and not the Intermediary). You may only terminate the Intermediary's authority to act on your behalf by terminating this agreement.
- (c) As a participant of one or more Securities Exchanges, subject to your instructions, Openmarkets is required to handle and execute Orders in accordance with the ASIC Market Integrity Rules. A copy of the Openmarkets Best Execution Policy is available at openmarkets.com.au/legals/best-execution-policy or is available from the Intermediary in hard copy. Openmarkets may from time to time amend its Best Execution Policy and make such amendments available on its website or through the Intermediary, or otherwise, notify you of the amended Best Execution Policy.
- (d) Openmarkets may at any time, in its absolute discretion, refuse to accept any Order from, or execute Orders for you. For example, Openmarkets may refuse to accept your Order if it would require Openmarkets to act otherwise than in accordance with its Best Execution Policy.
- (e) Subject to any instructions from you, Openmarkets will generally execute Orders in the sequence in which they are received. However, you acknowledge and agree that:
- (i) your Order may be automatically crossed against other orders before reaching the Market;
- Openmarkets may not be aware of principal orders that are being (or may be) executed, and that direct market access arrangements and program trading may make it impossible to prevent principal orders from being executed at the same time as (or before) your Order. Accordingly, you agree that Openmarkets may execute principal orders where your Order on the same terms is outstanding and that these Terms and Conditions constitute disclosure as required by the ASIC Market Integrity Rules. Unless you notify Openmarkets to the contrary, you will be taken to have consented to Openmarkets (and all of its Related Bodies Corporate) trading as Principal with you and agree to pay such commission (if any) on such transactions, each time you place an order with Openmarkets through the Intermediary;

- (ii) you will be charged the normal rate of commission by the Intermediary for Orders which are crossed with Openmarkets' principal orders unless, if you are a retail client (as defined in the Corporations Act), we are not permitted to do so under the Corporations Act or the ASIC Market Integrity Rules;
 - (iii) an Order once accepted by Openmarkets may not be transacted and an Order to transact an AQUA Product through the ASX Managed Fund Settlement Service is subject to acceptance by the issuer of the product and an application for issue or redemption of a product may be rejected; and
 - (iv) an Order to transact in an AQUA Product is not traded on a Securities Exchange and comprises an application by you to the relevant product issuer.
- (f) You acknowledge and agree that:
- (i) Openmarkets does not control and cannot procure the issue or redemption of AQUA Products or the processing of requests for issue or redemption of, or switch between, AQUA Products; and
 - (ii) Openmarkets has no liability to you or the Intermediary with respect to any action or failure to take action by an issuer or other Settlement Participant in connection with a request for issue, redemption or switch of AQUA Products including (without limitation) an issuer's failure to issue or redeem AQUA Products or make available redemption monies or to deliver AQUA Products.

B5. Orders relating to sales

- (a) You agree that whenever you place a sale Order with the Intermediary, you must notify the Intermediary whether or not your sale Order is a covered short sale – i.e. a sale where you have, at the time you place the sale Order with the Intermediary, a legally binding commitment from a securities lender to lend the securities to you under a securities lending arrangement (**Securities Lending Arrangement**). Where your sale relates to a covered short sale, you must also inform the Intermediary at the time of placing the sale Order:
- (i) the number of Financial Products to be sold that are to be delivered under the Securities Lending Arrangement;
 - (ii) a description of the Financial Products (e.g. fully paid ordinary shares); and
 - (iii) the name of the entity that issued the Financial Products.
- (b) You acknowledge that Openmarkets will not be permitted to execute a sale Order for you unless you have informed the Intermediary whether or not the sale Order relates to a covered short sale. You agree that each time you place a sale Order with the Intermediary and notify the Intermediary and notify the Intermediary that the sale Order relates to a covered short sale, you will be taken to have warranted and represented to Openmarkets and the Intermediary that the sale will meet the requirements and conditions of the Corporations Act, Corporations Regulations and ASIC Class Orders (if any) (as amended from time to time) relating to covered short sales, (including without limitation that you have obtained a legally binding commitment from a securities lender to lend the relevant securities to you under a Securities Lending Arrangement).

B6. DMA Service

Openmarkets may provide a direct market access service (or access to an automated order processing system) (**DMA Service**) to the Client under which the Client may place Orders directly

into the Trading Platform through an electronic automated client order process. You acknowledge and agree that if Openmarkets provides a DMA Service to the Client (and regardless of any obligations that we may have to you if you had used those DMA Services directly):

- (a) there may be delays in the processing, execution, amendment or cancellation of an Order entered through the DMA Service and:
 - (i) an Order may be wholly or partly filled before an instruction for its amendment or cancellation is processed; and
 - (ii) you remain liable to settle the original Order until any relevant amendment or cancellation is effected;
- (b) the execution of an Order placed through the DMA Service may be delayed by filters or other electronic features of the electronic system;
- (c) Openmarkets is not responsible for the processing, execution or cancellation of any Orders submitted through the DMA Service, regardless of who enters such Orders and regardless of whether or not there is an error in the Order entry or for any delays in relation to the same;
- (d) except as required by law, Openmarkets makes no representations or warranties express or implied with respect to the DMA Service;
- (e) there are significant risks in trading through a DMA Service because it is serviced by means of computer and telecommunications systems, even where generally accepted industry standards and practices are followed, including that your data may not be protected, and there are risks that other users of the DMA Service, institutions or intermediaries may be able to see your Orders and other communications relating to trading and execution without your (or Openmarkets') consent and that third parties (including persons on private networks) will have the ability to attach to your network; and
- (f) Openmarkets may terminate the Client's participation in the DMA Service at any time without notice to you.

B7. Openmarkets' right to refuse to accept Orders

You acknowledge that Openmarkets may at any time in its absolute discretion:

- (a) refuse to accept you as a client or not to accept Orders from you; or
- (b) refuse to accept a particular Order from you.

B8. Linked Cash Account

To trade through Openmarkets, you may be required to have a linked cash account (**Cash Account**). This account is necessary for settling transactions and fees related to your Trading Account.

Establishing your Cash Account

- (a) When you open a Trading Account with us, you authorise Openmarkets to establish a Cash Account with one of our approved providers.
- (b) Openmarkets will have the authority to operate this Cash Account on your behalf and in accordance with these Terms.
- (a) You should refer to the Cash Account provider's Product Disclosure Statement (**PDS**) for detailed information regarding fees and interest rates.

Funds management

- (a) You agree to comply with the Cash Account provider's terms and conditions and to provide necessary account-related information to Openmarkets and the Cash Account provider.
- (b) Funds held by Openmarkets will be in accordance with Part 7.8 of the Corporations Act.
- (c) Openmarkets may transfer funds held in one trust account to another trust account held by Openmarkets.

B9. Purchases, Sales and Set-off

- (a) You must ensure that payment in full is received by Openmarkets (and not the Intermediary) before the Settlement Date and Time. Unless we agree otherwise, you must ensure there are sufficient funds in your Cash Account (in the case of a purchase) and sufficient Financial Products in your Trading Account (in the case of a sale) to meet your Settlement Obligations before an Order is placed and Openmarkets may assess whether your Cash Account or Trading Account has such funds or products before accepting and Order from you. You agree you will not transfer funds out of your Cash Account before the Settlement Date if such a transfer would result in you being unable to meet your Settlement Obligations.
- (b) In accordance with the provisions of the Corporations Act and the regulations made under the Corporations Act, pending settlement by you, these Terms and the relevant Confirmation (if any) constitute notice to you that Openmarkets may deposit the Financial Products purchased for you in a particular Transaction as security for a loan if Openmarkets has received and paid for such Financial Products on your behalf.
You must deliver to Openmarkets all documents and security holder information (including the holder identification number or personal identification number and, if applicable, holder reference number) (**Security Holder Information**) no later than two (2) Business Days before the Settlement Date and Time. Credits in respect of sales are not available until the latest of:
 - (i) the Settlement Date and Time;
 - (ii) when all documents and Security Holder Information have been received by Openmarkets in deliverable form; and
 - (iii) all amounts due and payable by you to Openmarkets or the Intermediary have been paid.
- (c) Unless Openmarkets has agreed to alternative arrangements with you, Openmarkets will pay all sale proceeds directly to you.
- (d) Openmarkets is entitled to appropriate any amounts, credits, payments or other receipts from any assets that Openmarkets holds on your behalf and in such a manner and order as Openmarkets' think fit against any amounts due or owing by you to us.

B10. Settlement Date and Time

The "Settlement Date and Time" for sales or purchases is the date and time that is specified on the front of the relevant Confirmation. If no date and time is specified or no Confirmation is required to be given, the Settlement Date and Time is 9.00am (Sydney time) on the second (2nd) Business Day after the execution of the Transaction. The Intermediary has no authority to extend the Settlement Date and Time.

B11. Warranties by the client

You represent and warrant that before placing any Order with the Intermediary:

- (a) you will be in a position to pay for any Financial Products purchased and have a presently exercisable and unconditional right to vest any Financial Products sold in the buyer, to enable settlement at the Settlement Date and Time; and
- (b) if your Order relates to the purchase of a Partly Paid Security, you have made arrangements (to Openmarkets' satisfaction) to pay to Openmarkets a sufficient amount to cover any liability arising from all possible future calls in respect of the Partly Paid Securities; and
- (c) you will not place an Order for an AQUA Product unless you have received and read the Product Disclosure Statement relating to the product and the ASX Fact Sheet in relation to the ASX Managed Fund Settlement Service.

B12. Confirmations

- (a) You will be given Confirmations as required by the Corporations Act, the Exchange Rules and the ASIC Market Integrity Rules (**Confirmation**). You authorise Openmarkets (on its own behalf and on behalf of the Intermediary) to give Confirmations to you electronically to the email address notified to Openmarkets by the Intermediary on your behalf from time to time for this purpose. If the Trading Account is for joint holders and an email address is not provided for a joint holder, that joint holder authorises Openmarkets to send any Confirmation to that joint holder at the email address provided for the Trading Account and by so sending the Confirmation Openmarkets will be taken to have sent the email to that joint holder at the email address provided for the Trading Account and by so sending the Confirmation Openmarkets will be taken to have sent the email to that joint holder. Openmarkets may not provide you with paper copies of Confirmations.
- (b) You agree to promptly check the accuracy of every Confirmation sent to you and to notify the Intermediary immediately of any error that you consider may have occurred. In the absence of such notification from you within 24 hours, you will be taken to have accepted the accuracy of the Confirmation.

A Confirmation may at any time be re-issued to you in order to correct any errors or omissions and the terms and conditions of the original Confirmation will apply in relation to the reissued Confirmation.
- (c) Where Openmarkets enters into multiple Transactions in order to complete your Order, you authorise Openmarkets to accumulate those Transactions (whether executed on the same Securities Exchange or otherwise) on a single Confirmation and to specify the volume weighted average price for those Transactions on that Confirmation. If requested by you, Openmarkets will, if required under the ASIC Market Integrity Rules, give you a statement of all the individual prices of the relevant transactions which are accumulated and averaged in a Confirmation.
- (d) If you are a Wholesale Client for the purposes of the ASIC Market Integrity Rules, Openmarkets may elect not to give any Confirmations to you in relation to Transactions executed for you. If Openmarkets so elects, these Terms are taken to be the notification required to be given by Openmarkets to you under the ASIC Market Integrity Rules.

B13. Cancellations

- (a) Each Securities Exchange has the power under the Exchange Rules to cancel or amend

Transactions or Crossings. You authorise us to and agree that we may, without your consent, cancel or amend (or request or agree to the cancellation or amendment of) any Transactions or Crossing relating to the sale or purchase (as the case may be) of Financial Products:

- (i) if requested to do so by the Intermediary in the circumstances contemplated by the ASIC Market Integrity Rules (as if the Intermediary were a Trading Participant that executed that Order to which the Transaction or Crossing relates);
 - (ii) if a Securities Exchange or a participant of the Securities Exchange exercises its power under the Exchange Rules to cancel or amend (or require the cancellation or amendment of) the Transaction or Crossing; or
 - (iii) in the event of an error or otherwise in the circumstances contemplated in the Exchange Rules.
- (b) Your obligations referred to in clause B9. *Purchases and Sales* and our obligations in relation to the settlement of a Transaction, will no longer apply in respect of a cancelled transaction from the time it is cancelled or, in the case of an amended Transaction, apply as amended.

Section 2: Special product terms

B14. Warrants

- (a) In addition to the other Terms of this agreement, the terms in this Section 2 apply if you purchase Warrants.
- (b) You agree and acknowledge that:
- (i) you have received and read a copy of the Explanatory Booklet issued by ASX in respect of Warrants ("Understanding Trading and Investment Warrants", available electronically on the ASX website and at openmarkets.com.au/legals, or in paper form on request by contacting the Intermediary);
 - (ii) a Warrant has a limited life and cannot be traded after its expiry date;
you are aware that Warrants do not have standardised Terms of Issue and it is your responsibility to become aware of the Terms of Issue of any Warrant in which you invest;
 - (iii) Warrants may be subject to adjustments after their initial issue. You acknowledge that it is your responsibility to become aware of any adjustments which may have been made to any Warrant in which you choose to invest;
 - (iv) admission to the Trading Status of a Warrant does not imply that a Securities Exchange or the Securities Exchanges Guarantee Corporation Limited gives any guarantee or warranty as to the viability of the Warrant-Issuer or Guarantor; and
 - (v) failure of the Warrant-Issuer or Guarantor (if applicable) to fulfil their obligations does not give rise to a claim against the Intermediary, Openmarkets, a Securities Exchange, handling Market Participants or the Securities Exchanges Guarantee Corporation Limited.

B15. Partly Paid Securities

- (a) The following terms and conditions apply if you are to purchase Partly Paid Securities.
- (b) You agree and acknowledge that you are aware that:

- (iii) you may be liable for further payments on a partly paid security and a failure to make a further payment by the specified date(s) may result in an issuer of a partly paid security or their associates or agents taking action, including legal action, against you to recover the outstanding payments and/or may result in the forfeiture of your entitlement to the partly paid security;
- (iv) in certain circumstances you may be liable to make a further payment on a partly paid security despite the fact that you may have disposed of a partly paid security prior to the date that a further payment falls due;
- (v) you should monitor announcements made by the issuer of a partly paid security and it is your responsibility to inform yourself of the date/s or circumstances that a further payment falls due and the last day that you can dispose of the partly paid security before becoming liable for a further payment;
- (vi) the amount of a further payment may be unrelated to the financial performance of a partly paid security and that the amount of the further payment may exceed the intrinsic value of a partly paid security at the time a further payment falls due; and
- (vii) an obligation on you in relation to a partly paid security, including an obligation to make a further payment, does not give rise to a claim against the Intermediary, Openmarkets, a Securities Exchange, handling Market Participants or the Securities Exchanges Guarantee Corporation Limited.

Section 3: DMA Service terms

B16. DMA Services

The following terms and conditions also apply if you are given access to the DMA Service.

B17. Access by Authorised Persons only

No person other than an Authorised Person may at any time submit an Order for the Client (whether as principal or as agent for the Client) through the DMA Service using the Security Information provided by Openmarkets (or the Intermediary) to the Client. Openmarkets may at its discretion at any time limit the number of Authorised Persons who are permitted to submit Orders for the Client through the DMA Service. The Client must not authorise, allow or permit any person other than an Authorised Person to access or use the DMA Service using the Security Information. The Client acknowledges and agrees that Openmarkets may, in its absolute discretion:

- (a) refuse to approve as an Authorised Person any person nominated by the Client for that purpose;
- (b) revoke its approval of an Authorised Person at any time; and
- (c) from time to time test whether an Authorised Person has adequate knowledge of the DMA Service and the Dealing Rules (as defined in the ASIC Market Integrity Rules), directions, decisions and requirements of a Securities Exchange relevant to the type of order submission facilities given to the Authorised Person by Openmarkets. The Client must notify the Intermediary immediately once any Authorised Person ceases to be authorised by the Client to access the DMA Service on the Client's behalf.

B18. Security Information

- (a) The Client acknowledges that the Security Information is confidential and agrees that it is responsible for maintaining its confidentiality.
- (b) The Client agrees that it must:
 - (i) only use the Security Information in accordance with these terms;
 - (ii) not disclose the Security Information (or any part of it) to any person or persons (including its employees, contractors, agents and consultants) other than to an Authorised Person;
 - (iii) ensure that at all times, each Authorised Person maintains the confidentiality of the Security Information;
 - (iv) notify Openmarkets immediately upon becoming aware that any Security Information has been or may be used or disclosed in a manner that is not consistent with these terms; and
 - (v) regularly review and, if necessary, upgrade the security of its network through which it accesses the DMA Service to ensure that only Authorised Persons are able to access or use the DMA Service.

B19. Use of the system

The Client acknowledges that:

- (a) the DMA Service is accessible through the DMA System;
- (b) neither Openmarkets nor any Related Body Corporate or affiliate of Openmarkets makes

any representation or warranty, express or implied, to the Client or to any other person regarding the DMA System, nor provides any guarantee with respect to the DMA System, including without limitation, with respect to the operation, functionality, effectiveness, accuracy, reliability, merchantability, quality or fitness for purpose;

- (c) neither Openmarkets nor the Intermediary nor any Related Body Corporate or affiliate of Openmarkets or the Intermediary is in any way responsible or liable to the Client or any person claiming through the Client, for any loss that results from the Client's use of the DMA System, or from any failure, error or defect of or in the DMA System;
- (d) the Client is solely responsible for assessing the adequacy of the DMA System and for deciding whether or not to access it; and
- (e) it is the Client's responsibility to obtain, at its own expense, all hardware and software to be used by the Client in connection with the use of the DMA Service.

B20. Submitting orders through the DMA Service

(a) Permission to submit Orders using Security Information.

The Client acknowledges and agrees that it (and/or any Authorised Person) is permitted to submit Orders through the DMA Service only if it or they do so using the Security Information.

(b) Responsibility for submitting Orders to the Client:

- (i) determines the time at which Orders are submitted through the DMA Service;
- (ii) is responsible for all Orders submitted through the DMA Service using the Security Information, regardless of who enters such Orders and regardless of whether or not there is an error in the Order entry;
- (iii) is bound by any agreement entered into on its behalf in reliance on such Orders;
- (iv) is liable for any reasonable expense incurred by Openmarkets in reliance on such Orders; and
- (v) accepts the sole risk and responsibility for Orders submitted by it through the DMA Service, including any Order submitted in error.

(c) Order priority

The Client acknowledges that all Orders submitted by it through the DMA Service are, subject to any Filters, entered on a Trading Platform in the sequence in which they are received, and otherwise as expeditiously as practicable, and this may result in Openmarkets' principal orders being satisfied ahead of an Order.

(d) Acknowledgment about resubmitting purged Orders

The Client acknowledges that Orders purged from a Trading Platform by the Securities Exchange will not be resubmitted to that Trading Platform by Openmarkets or the Intermediary.

(e) No pre-arranged Orders

The Client undertakes to ensure that any Orders placed through the DMA Service which match opposite orders placed by Openmarkets in a Trading Platform, either as agent or principal, will be of an accidental nature, meaning that no pre-arrangement of the matched orders will have taken place with Openmarkets, and will not detract in any way from the Client's Orders transacting in a Trading Platform under strict rules of time and price

priority.

B21. Orders relating to derivatives products

(a) Closing Out Derivatives Contracts

If, as a result of Orders submitted by the Client through the DMA Service, a Derivatives Contract registered in the Client's account with Openmarkets as Buyer and a Derivatives Contract in the same Series or Delivery Month is registered in the Client's account with Openmarkets as Seller, Openmarkets will use its best endeavours to ensure that the corresponding Derivatives Contracts registered with ASX Clear are closed out by ASX Clear in accordance with ASX Clear Rule 13.2. However, the Client acknowledges and agrees that the Client's obligations in relation to those Derivatives Contracts continue in force until ASX Clear has closed out the corresponding Derivatives Contracts registered with it in accordance with ASX Clear Rule 13.2.

(b) Exercise of a Derivatives Contract

The Client acknowledges that, if the Client wishes to exercise a Derivatives Contract registered in the Client's account with Openmarkets:

- (i) the Client is not able to do so through the DMA Service (whether or not that Derivatives Contract was bought through the DMA Service); and
- (ii) the Client must contact the Intermediary directly in order to communicate the Client's instruction to exercise that Derivatives Contract (and the Intermediary in turn will be responsible for communicating the Client's instruction to Openmarkets).

B22. Trading rules

(a) DMA Trading Limits

Openmarkets may at any time through the DMA Service impose, and from time to time vary, DMA Trading Limits. Without limitation, Openmarkets may impose DMA Trading Limits on any or all of the following:

- (ii) the value or number of any sell Orders or trades;
- (iii) the available cleared funds;
- (iv) the available sponsored stock;
- (v) the net value of any buy Orders or trades less sell Orders or trades;
- (vi) the gross value of any buy Orders or trades and any sell Orders or trades;

- (viii) the value of any Order submitted by one or more Authorised Persons, or trade undertaken by such a person. The Client must comply, and ensure that each Authorised Person complies, with all applicable DMA Trading Limits.

(b) Prohibited orders

The Client must ensure that:

- (i) each Authorised Person accesses the DMA Service in a way that ensures fairness, efficiency and ongoing protection of market integrity;
- (ii) it does not place an Order through the DMA Service such that the beneficial ownership of the financial products which are the subject of the Order would not

- change if the Order were executed;
- (iii) it does not take any action, fail to take any action or place any Order through the DMA Service where that Order (or the resulting transaction) would violate or cause or result in the Client, the Intermediary or Openmarkets violating any applicable regulation, including without limitation, any applicable regulation in relation to:
 - (A) market manipulation, false trading, market rigging, fictitious transactions, wash trading or matching of orders;
 - (B) insider trading;
 - (C) front running;
 - (D) fraud;
 - (E) creation of a disorderly market or otherwise prejudicing the integrity or
 - (F) the efficiency of the market; or
 - (G) misleading or deceptive conduct; and
 - (iv) each Order is submitted in accordance with these terms, or any policy or operational guideline published by Openmarkets from time to time in relation to the DMA Service.

B23. Filters

Openmarkets may impose Filters to restrict the placement of any Orders or the execution of any trades through the DMA Service, including (without limitation) Filters whose object is to:

- (a) prevent a breach of the provisions set out in this paragraph 5;
- (b) prevent Orders being registered with a Trading Platform where the price at which the Order is submitted through the DMA Service is too far from the prevailing market price for the relevant security or financial product;
- (c) ensure that the DMA Service does not interfere with the efficiency and integrity of the market conducted by a Securities Exchange;
- (d) ensure that the DMA Service does not interfere with the proper functioning of any Trading Platform; or
- (e) facilitate compliance with, and prevent breaches of, applicable regulations. Openmarkets has, and accepts, no responsibility or liability to the Client or any person claiming through the Client for failing to submit such Orders to a Trading Platform.

B24. Delays

The Client acknowledges that there may be delays in the processing or execution of an Order placed through the DMA Service, and:

- (a) an Order may be wholly or partly filled before an instruction for its amendment or cancellation is processed;
- (b) The Intermediary and the Client remain liable to Openmarkets to settle the original Order until any relevant amendment or cancellation is effected; and
- (c) Openmarkets will not be liable for any loss or damage to the Client by reason of any delay in processing any Order submitted through the DMA Service.

B25. Processing and delays

- (a) The Client acknowledges that Openmarkets takes no responsibility for the processing,

execution or cancellation of any Orders placed through the DMA Service or for any delays in relation to the same.

B26. Reconciliation

The Client is responsible for reconciling end-of-day Confirmations against its records on any given trading day and must communicate to Openmarkets, any discrepancies found in this reconciliation before the market opens on the next trading day. The Client acknowledges that Openmarkets is not responsible in any circumstances for the losses of any kind of the Client that occur through errors that go undetected as a result of the failure of the Client to perform this reconciliation.

B27. Principal trading by Openmarkets

The Client acknowledges that Openmarkets and/or any of Openmarkets' Related Bodies Corporate or affiliates may:

- (a) enter a transaction in securities, derivatives, warrants and other financial products on a Securities Exchange as principal and, where permitted by law, may take the opposite position in any such transaction, acting either for a client or on Openmarkets' own account (and the Client consents to Openmarkets and/or Openmarkets' Related Bodies Corporate and affiliates entering such transactions and taking such positions); and
- (b) place principal orders on the same terms as any Order, and that Openmarkets' order may be filled before an Order due to it being entered into the relevant Trading Platform prior to the Order.

B28. Intellectual property

You acknowledge that all intellectual property rights in the DMA Service and the DMA System and the components thereof are owned by Openmarkets or are procured by Openmarkets for the use of the Client and nothing in this agreement confers any right of ownership, transfer of ownership to, or another right to the intellectual property in the Client.

B29. System and trading risks

The Client acknowledges that there is significant risk in trading through a system, including the DMA Service, which is serviced by means of computer and telecommunications systems, even where generally accepted industry standards and practices are followed, including that:

- (a) the access to and use of the DMA Service cannot be operated in all circumstances without error including, without limitation, errors in computer programs and telecommunications systems. These errors may result in, among other things:
 - (i) a delay in telecommunications services;
 - (ii) interrupted service and faults, such that the DMA Service may not remain accessible at all times during the trading day and there may be problems affecting the stability of the DMA Service that could cause the Client to be unable to enter Orders via the DMA Service during normal trading hours;
 - (iii) Orders and other communications relating to trading and execution not reaching Openmarkets or being lost, rejected or partially received or sent, such that they are not accurately received or sent by the Client or Openmarkets and are not representative of the original content of the Orders and other communications

relating to trading and execution;

- (iv) inaccuracies in the provision of the DMA Service and generally;
- (b) the Client's data may not be protected, and there are risks that other users of the DMA Service, institutions or holders or an Australian financial services licence will be able to see Orders submitted by the Client and other communications relating to trading and execution without the Client's (or Openmarkets') consent and that third parties (including persons on private networks) may have the ability to attach to the Client's network;
- (c) Orders and other communications relating to trading and execution and other data submitted to the DMA Service will not remain confidential;
- (d) the Client's system may not be compatible with the DMA Service or a Trading Platform, and this incompatibility may lead to an unstable environment; and
- (e) Orders may be placed through the DMA Service without the Client's authority by a person using the Security Information given to the Client and accordingly, trades that have not been authorised by the Client may be executed.

Section 4: ASX Bookbuild Client Agreement

B30. Agreement with Openmarkets

The provisions of this *Section 4* apply if you wish to instruct for a Bid to be placed on your behalf in relation to an offer of Financial Products on ASX BookBuild. By placing an Order with Intermediary (as your agent) for a Bid to be placed on your behalf in relation to an offer of Financial Products on ASX BookBuild, you agree to also be bound by the terms and conditions of this Section 4 of Part B. This Section 4 forms part of the Terms and Conditions and is to be read as a part of the Terms and Conditions.

B31. Application of ASX Operating Rules

You and Openmarkets are bound by the ASX Rules, the Corporations Act, customs, usages and practices of ASX and its related entities, as amended from time to time, in so far as they apply to ASX BookBuild and any allocation of Financial Products in an offer on ASX BookBuild.

B32. Right to refuse to deal

You acknowledge that Openmarkets may at any time refuse to deal in, or may limit dealings in, the Financial Products offered under ASX BookBuild for you. Openmarkets is not required to act in accordance with your instructions when it would constitute a breach of the ASX Rules or the Corporations Act. Openmarkets (or the Intermediary on Openmarkets' behalf) will notify you of any refusal or limitation as soon as practicable.

B33. Wholesale clients

You agree that, if you are not a Wholesale Client for the purposes of the ASIC Market Integrity Rules, you will not place an Order in relation to an offer of Financial Products on ASX BookBuild where that offer is limited to Wholesale Clients.

B34. Offers in the U.S. or to U.S. persons where terms of offer are silent

If the terms of the offer are silent on whether offers and issues of Financial Products are prohibited in the United States or to U.S. persons, then you acknowledge that the following terms of the offer will apply:

- (a) the Financial Products have not been, and will not be, registered under the US Securities Act of 1933 (**Securities Act**), and may not be offered, sold or resold in the United States, or to or for the account or benefit of U.S. persons, except in accordance with an exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act;
- (b) expressions used but not defined in these terms have the meanings set forth in Regulation S under the US Securities Act.

B35. Warranty

When you instruct Openmarkets (including where you instruct the Intermediary to instruct Openmarkets) to enter a Bid in an offer of Financial Products you warrant that:

- (a) you are aware of and agree to the investment cap and the terms of the offer;
- (b) you are entitled, under the Investment Cap and the terms of the offer, to enter that Bid and to subscribe for any Financial Products allocated to you under ASX Rule 4930.

B36. Allocation and settlement obligations

You acknowledge and agree that:

- (a) where you have received an allocation of Financial Products as a result of a Bid entered by Openmarkets on your behalf for the allocation of the relevant Financial Products under the applicable offer:
 - (i) you have an obligation to subscribe for the number of Financial Products allocated to you at the final BookBuild Price on the terms of that offer; and
 - (ii) where Openmarkets settles the subscription for those Financial Products through ASX Settlement or otherwise on your behalf, you owe your Settlement Obligations in respect of that subscription directly to Openmarkets and not to the Intermediary or the relevant BookBuild Issuer;
- (b) you may not receive any allocation of Financial Products including where a bookbuild is cancelled. In the event that you fail to comply with your Settlement Obligations, Openmarkets will have rights against you under these Terms and Conditions (including without limitation under those clauses of these Terms and Conditions relating to a failure to settle by you), the ASX Rules and the ASX Settlement Rules (including without limitation a power of sale), and Openmarkets is not obliged to register any of the relevant Financial Products in your name or in accordance with your instructions unless and until you have complied with your Settlement Obligations in full.

B37. Divestment

When you have received an allocation of Financial Products in an offer on ASX BookBuild which:

- (a) represents a percentage of Financial Products in that offer that exceeds the investment cap; or
- (b) results, or together with allocations to other persons result, in the voting power in the BookBuild Issuer of you or any other person increasing from a percentage at or together with allocations to other persons result, in the voting power in the BookBuild Issuer of you or any other person increasing from a percentage at or below the investment cap to a percentage above the investment cap, you acknowledge that such allocation was outside of the parameters established by the BookBuild Issuer for the offer on ASX BookBuild and

that the BookBuild Issuer may, at its election, require that you divest such number of Financial Products allocated in the offer on ASX BookBuild up to the number required for the relevant person to no longer exceed the investment cap. For the purposes of this clause, a person's voting power in the BookBuild Issuer has the meaning given by s610 of the Corporations Act. You also acknowledge that damages are not an adequate remedy for a breach of clause B36. (*Allocation and settlement obligations*) and that the BookBuild Issuer can require specific performance of this clause.

B38. Enforceability by BookBuild Issuer

You acknowledge that the warranties and acknowledgments in clauses B35. (Warranty), B36. (*Allocation and settlement obligations*) and B37. (*Divestment*) above can be enforced by the BookBuild Issuer.

B39. Effect of termination

Termination does not affect the existing rights and obligations of you or Openmarkets at termination.

B40. Revised terms prescribed by ASX

If ASX prescribes amended minimum terms for an ASX BookBuild Client Agreement for the purposes of the Rules (**New Terms**), to the extent of any inconsistency between this Schedule and the New Terms, the New Terms will override the terms of this Schedule and apply as if you and Openmarkets had entered into an agreement containing the New Terms.

B41. Openmarkets to provide you with a copy of the changes

Openmarkets (or the Intermediary on Openmarkets' behalf) will provide a copy of the New Terms to you as soon as practicable after ASX prescribes the New Terms.

Section 5: Foreign Exchange (FX) Transfers

B42. Foreign exchange (FX) Transfers

- (a) You acknowledge that Openmarkets is not authorised to deal in FX contracts. You further acknowledge and confirm that you use a separate FX provider to execute FX Transfers relating to your Trading Account.
- (b) You agree that you will bear the FX risks of an FX Transfer, including but not limited to the risks of foreign currency held, interest or other income payments received, expenses, tax or other liabilities incurred in currencies other than Australian dollars and of exchange controls or other laws that may prohibit or impose costs on FX Transfers and that Openmarkets will not be liable for any loss suffered by you as a result of the timing of an FX Transfer.

B43. Deposits & Withdrawals

Where you do not have a Cash Account, and:

- (a) You elect to deposit funds into an Openmarkets trust account via an FX Transfer, Openmarkets will hold such funds in accordance with clause B8.
- (b) You elect to withdraw funds from an Openmarkets trust account via an FX provider, you will be required to provide further documentation and identification for verification purposes to complete such a withdrawal instruction. Openmarkets may also set withdrawal limits from time to time to protect your assets from fraud.

Part C: CHESS Sponsorship Agreement

- (a) All ASX, Cboe Australia and NSX trades transacted through us are settled by the Clearing House Electronic Subregister System (**CHESS**), which is operated by ASX Settlement. This means all Trading Accounts established through us must be CHESS Sponsored by us in order to facilitate the buying and selling of Financial Products through our Services.
- (b) By applying for a new Holder Identification Number (**HIN**) or requesting a transfer of your existing HIN in the Account Application (**Application**), you agree to be CHESS Sponsored by Openmarkets in accordance with the ASX Settlement Rules on the terms and conditions set out in this *Part C: CHESS Sponsorship Agreement* and *Part A: General Terms and Conditions (Sponsorship Agreement)*.

Explanation of CHESS Sponsorship

- (a) The exchange of legal ownership of Financial Products (for example shares) bought and sold on the market for money is called a settlement, which is managed by CHESS. To access CHESS and settle trades on your behalf you need to be sponsored in CHESS by an authorised broker.
- (b) Openmarkets is both a Settlement and Clearing Participant of the ASX and therefore an authorised sponsoring broker.
- (c) In addition to performing settlement, CHESS electronically registers the title (name and ownership) of Financial Products on its subregister. You retain the legal and beneficial ownership of the holdings at all times, subject to these Terms.
- (d) Once your Trading Account is CHESS Sponsored by us, you will be allocated a HIN by CHESS. Your HIN uniquely identifies you as the holder of your Financial Products as referred to as your **Sponsored Holdings**. You should protect this number and not disclose it to anyone unless required to do so in your exchange with our Services or by law.
- (e) Having your Sponsored Holdings attached to one HIN means you can buy and sell shares more quickly than if those shares were individually Issuer Sponsored. It also means you can view and track your portfolio and its market values using our portfolio tools via our electronic trading facilities.
- (f) Once you are CHESS Sponsored by Openmarkets, you will need to ensure that you notify us in writing of any changes to your registered details, such as your registered address.
- (g) Under this agreement, we are entitled to charge you the fees that CHESS charges us or for information, we obtain at your request, such as a Securities Reference Number (**SRN**) for a holding.
- (h) If you would like to discuss the Terms of CHESS Sponsorship with us, please contact us (our contact details are provided at the start of this agreement).

C1. Interpretation

Any terms used in this Sponsorship Agreement, which are defined in the ASX Settlement Rules, have the meaning given in those Rules. If you require a copy of those definitions, please contact us.

C2. Our rights and obligations

- (a) Where you authorise us to buy Financial Products, you will pay for those Products by the

Settlement Date.

- (b) Subject to *clause C2(c)* below, we are not obliged to Transfer Financial Products (i.e. settle buy orders) into your Sponsored Holding (i.e. HIN) if we have not received payment for that Product.
- (c) Where a contract for the purchase of Financial Products remains unpaid after we have made a demand that you pay for the Financial Products, we may sell those Financial Products that are the subject of that contract at your risk and expense and that expense will include brokerage and stamp duty. Renounceable rights that relate to the Financial Products in your HIN will be treated in the same manner as the products themselves.
- (d) If we claim that an amount is lawfully owed to us and has not been paid by you, we have the right to refuse to comply with your withdrawal instructions, but only to the extent necessary to retain Financial Products of the minimum value held in a Sponsored Holding (where the minimum value is equal to 120% of the current market value the amount claimed).

C3. Your rights and obligations

- (a) Subject to clause C2 (*Our rights and obligations*) we will initiate any Transfer, Conversion or other action necessary to give effect to withdrawal instructions within one (1) Business Day of the date of the receipt of the withdrawal instructions.
- (b) We will not initiate any Transfer or Conversion into or out of the Sponsored Holding without your express authority.
- (c) The regulatory regimes which apply to us include the Corporations Act, Market Integrity Rules and any Exchange Rules. You may obtain information as to our status from ASIC, ASX Settlement, ASX Clear, or any Securities Exchange.
- (d) You may lodge a complaint against us or any claim for compensation with ASIC, ASX Settlement, ASX Clear, a Securities Exchange or AFCA.

C4. Other rights and duties - supply of information

You will supply all information and supporting documentation that is reasonably required to permit us to comply with the registration requirements, as are in force from time to time under the ASX Settlement Rules.

C5. Exchange-traded options, pledging and subpositions

- (a) Where you arrange through us with ASX Clear to lodge Financial Products in its Sponsored Holding as Derivatives Cover under the ASX Clear Rules or otherwise inform us of that arrangement, you:
 - (i) authorise us to reserve the Financial Products in the ASX Clear Subposition so that the Financial Products come under the control of ASX Clear and are subject to the security interest granted in favour of ASX Clear to secure the performance by the relevant Clearing Participant of its obligations to ASX Clear under and in accordance with ASX Clear Operating Rule 14.6.7;
 - (ii) authorise any subsequent dealing (including, without limitation, any transfer) of the reserved Financial Products in accordance with the Rules and ASX Clear Operating Rules;
 - (iii) acknowledge that the Financial Products will remain subject to that security interest for so long as those Financial Products remain reserved in the ASX Clear

- Subposition in accordance with ASX Clear Operating Rule 14.6.7; and
- (iv) authorise us to take whatever action is reasonably required by ASX Clear in accordance with the ASX Clear and ASX Settlement Rules to give effect to that arrangement.
- (b) Where you inform us that a charge or any other interest in financial products in your Sponsored Holding has been given, you authorise us to take whatever action is reasonably required by the person in accordance with the ASX Settlement Rules to give effect to or record that interest.
- (c) Where we, in accordance with this Sponsorship Agreement or the ASX Settlement Rules, initiate any action which creates a sub-position over Financial Products in your Sponsored Holding, you acknowledge that your right to transfer, convert or otherwise deal with those Financial Products is restricted in accordance with the ASX Settlement Rules.
- (d) Nothing in this Sponsorship Agreement operates to override any interest of ASX Clear in the financial products.

C6. Brokerage fees

You must pay all Brokerage fees and associated transactional costs within the period prescribed by us.

C7. Mandatory notifications and acknowledgments

- (a) You acknowledge that if we are not a Market Participant of an Approved Market Operator, neither the Approved Market Operator nor any related entity of the Approved Market Operator has any responsibility for regulating the relationship between you and us, other than in relation to the rules relating to the Sponsorship Agreement.
- (b) You acknowledge that if a Transfer is taken to be effected by us under Section 9 of the ASX Settlement Rules and the Source Holding for the Transfer is a Sponsored Holding under the Sponsorship Agreement, then:
 - (i) you may not assert or claim against ASX Settlement or the relevant Issuer that the Transfer was not effected by us or that we were not authorised by you to effect the Transfer; and
 - (ii) unless the Transfer is also taken to have been effected by a Market Participant of an Approved Market Operator or a Clearing Participant of ASX Clear, you have no claim arising out of the Transfer against the compensation arrangement applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations.
- (c) In the event that we breach any of the provisions of this Sponsorship Agreement, you may refer that breach to any regulatory authority, including ASX Settlement.
- (d) In the event that we are suspended from CHESS participation, subject to the assertion of an interest in Financial Products controlled by us, or by any liquidator, receiver, administrator or trustee appointed:
 - (i) you have the right, within twenty (20) Business Days of ASX Settlement giving notice of suspension, to give notice to ASX Settlement requesting that any Sponsored Holdings be removed either:
 - A from the CHESS Subregister; or
 - B from the control of the suspended Participant to the control of another

Participant with whom they have concluded a valid Sponsorship Agreement pursuant to Rule 12.19.10; or

- (ii) where you do not give notice under clause C7(d)(i) above, ASX Settlement may effect a change of Controlling Participant under Rule 12.19.11 and you will be deemed to have entered into a new Sponsorship Agreement with the substitute Participant on the same terms as the existing Sponsorship Agreement. Where you are deemed to have entered into a Sponsorship Agreement, the new Participant must enter into a Sponsorship Agreement with you within ten (10) Business Days of the change of Controlling Participant.
- (e) You acknowledge that before you executed this agreement, we provided you with an explanation as to the effect of this agreement which you understood.
- (f) You acknowledge that in the event of your death or bankruptcy, a Holder Record Lock will be applied to all Sponsored Holdings in accordance with the ASX Settlement Rules unless your legally appointed representative or trustee elects to remove the Sponsored Holdings from the CHESS Subregister.
- (g) You acknowledge that in the event of your death, this Sponsorship Agreement is deemed to remain in operation, in respect of the legally appointed representative authorised to administer your estate, subject to the consent of the legally appointed representative, for a period of up to three calendar months after the removal of a Holder Record Lock applied pursuant to clause C7(f).

C8. Joint holdings

- (a) You acknowledge that for joint holdings in the event of the death of one of the Account Holders, we will transfer all Sponsored Holdings under the joint Holder Record into new Sponsored Holdings under a new Record in the name of the surviving Account Holder(s) and that this Sponsorship Agreement will remain valid for the new Holdings under the new Holder Record.
- (b) You acknowledge that in the event of the bankruptcy of one of the joint Holders we will:
 - (i) establish a new Holder Record in the name of the bankrupt Holder (unless your legally appointed representative elects to remove the Sponsored Holdings from the CHESS Subregister), transfer the interest of the bankrupt Holder into new Holdings under the new Holder Record and request that ASX Settlement apply a Holder Record Lock to all Holdings under that Holder Record; and
 - (ii) establish a new Holder Record in the name(s) of the remaining Holder(s) and Transfer the interest of the remaining Holder(s) into new Holdings under the new Holder Record.

C9. Change of controlling participant

- (a) In the unlikely event that we can no longer serve you as the Controlling Participant (the authorised broker sponsoring you in CHESS) of your Sponsored Holdings, then we will issue you a "Participant Change Notice".
- (b) If you receive a Participant Change Notice at least twenty (20) Business Days prior to the date proposed in the notice, you are under no obligation to agree to the change of Controlling Participant and may choose to do any of the things set out in clause C9(c) and otherwise clause C9(d) will apply.
- (c) You may choose to terminate this Sponsorship Agreement by giving written Withdrawal

Instructions under the ASX Settlement Rules indicating whether you wish to:

- (i) transfer your Sponsored Holding to another Controlling Participant; or
 - (ii) transfer your Sponsored Holding to one or more Issuer Sponsored Holdings.
- (d) If you do not take any action to terminate this Sponsorship Agreement in accordance with clause C9(c) above and do not give any other instructions to us which would indicate that you do not agree to the change of Controlling Participant then, on the Effective Date, this Sponsorship Agreement will have been taken to be novated to the New Controlling Participant and will be binding on all parties as if, on the Effective Date:
- (i) the New Controlling Participant is a party to this Sponsorship Agreement in substitution for us;
 - (ii) any rights of ours are transferred to the New Controlling Participant; and
 - (iii) we are released by you from any obligations arising on or after the Effective Date.
- (e) The novation in this clause will not take effect until you have received notice from the New Controlling Participant confirming that the New Controlling Participant consents to act as the Controlling Participant for you. The Effective Date may as a result be later than the date set out in the Participant Change Notice.
- (f) You will be taken to have consented to the events referred to in this clause by the doing of any act which is consistent with the novation of this Sponsorship Agreement to the New Controlling Participant (for example by giving an instruction to the New Controlling Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.
- (g) This Sponsorship Agreement continues for our benefit of us in respect of any rights and obligations accruing before the Effective Date. To the extent that any law or provision of any agreement makes the novation in this clause not binding or effective on the Effective Date, then this Sponsorship Agreement will continue for the benefit of us until such time as the novation is effective. We will hold the benefit of this Sponsorship Agreement on trust for the New Controlling Participant.
- (h) Nothing in this clause will prevent the completion of CHESS transactions by us where the obligation to complete those transactions arises before the Effective Date. This Sponsorship Agreement will continue to apply to the completion of those transactions, notwithstanding the novation of this Sponsorship Agreement to the New Controlling Participant under this clause.
- (i) In the event that any of the transferred holdings comprise AQUA Products, the new Controlling Participant will be accredited in accordance with Section 18 of the rules to facilitate the settlement of AQUA products.

C12. Variation

Should any of the provisions in this Sponsorship Agreement be inconsistent with the provisions in the ASX Settlement Rules, we will, by giving you not less than 7 Business Days written Notice, vary the Sponsorship Agreement to the extent to which in our reasonable opinion is necessary to remove any inconsistency.

C13. Copy of executed Sponsorship Agreement

You authorise us to input your HIN into the executed Sponsorship Agreement and you do not require a copy of the agreement. Please contact us if you would like us to send you a copy of your Sponsorship Agreement.

Part D: Derivatives Client Agreement

The Terms in this Part D apply to any services that we provide in relation to dealings in ASX Derivative Products (as defined below) in addition to the other Terms of this agreement.

Section 1: Instructions

D1. ASX Derivative Products

The Client may from time to time instruct the Intermediary to deal in the following kinds of derivatives which are traded on ASX:

- (a) Options Market Contracts (sometimes referred to as Exchange Traded Options); and
- (b) other kinds of derivatives traded on ASX,

but not including Futures Market Contracts (**ASX Derivative Products**).

D2. Orders and instructions

- (a) If the Client places an Order with the Intermediary, the Intermediary, as the Client's agent (and not as the agent of Openmarkets), will communicate the Client's Order to Openmarkets and other instructions or information to Openmarkets as appropriate. In placing an Order the Client is acting as principal or as an Intermediary on another's behalf (and if acting as an Intermediary the Client is specifically authorised to transact the ASX Derivatives Products by terms of a licence held by the Client, a trust deed or an agency contract).
- (b) Openmarkets will not act on any Orders or other instructions, or information communicated directly to it by the Client (and not through the Intermediary). The Client may only terminate the Intermediary's authority to act on the Client's behalf by terminating this agreement. A reference in this agreement to an Order or instruction from the Client is a reference to an Order or instruction from the Intermediary as the Client's agent.
- (c) Openmarkets may at any time, in its absolute discretion, refuse to accept any Order from, or execute Orders for, the Client.
- (d) Subject to any instructions from the Client, Openmarkets will generally execute Orders in the sequence in which they are received. However, the Client acknowledges and agrees that:
 - (i) the Client's Order may be automatically crossed against other orders before reaching the market;
 - (ii) the Client will be charged the normal rate of commission by the Intermediary for Orders which are crossed with Openmarkets' principal orders; and
 - (iii) Openmarkets may not be aware of principal orders that are being (or may be) executed, and that direct market access arrangements and program trading may make it impossible to prevent principal orders from being executed at the same time as (or before) the Client's Order. Accordingly, the Client agrees that Openmarkets may execute principal orders where the Client's Order on the same terms is outstanding and that this agreement constitutes disclosure as required by ASIC Market Integrity Rule 5.1.8.

D3. Right to refuse to deal

[ASX Minimum Term 4, ASIC Minimum Term 3.1.7(1)(d)(vi) and ASX Clear Minimum Term 4]

The Client acknowledges that Openmarkets may at any time refuse to deal in or may limit dealings in, ASX Derivative Products for the Client. Openmarkets will notify the Client of any refusal or limitation as soon as practicable. Openmarkets is not required to act in accordance with the Client's instructions, where to do so would constitute a breach of the ASX Clear Rules, the ASX Operating Rules or the Corporations Act.

Section 2: Clearing Arrangements and Relationship With ASX and ASX Clear

D4. The Client's relationship with Openmarkets

- (a) The Client's primary relationship will be with the Intermediary. The Client's relationship with Openmarkets will be limited to the execution of Orders placed with Openmarkets by the Intermediary on behalf of the Client and to the clearing and settlement of Derivatives Transactions.
- (b) The Client acknowledges that Openmarkets will not provide financial product advice, or legal, tax, financial or accounting advice or make any financial product recommendations to the Client as part of the service to be provided to the Client by them.

D5. Nature of Openmarkets' obligations

[ASIC Minimum Term 3.1.7(1)(d)(i) and ASX Clear Minimum Term 4]

The Client acknowledges that:

D6. Obligations of Client owed to Openmarkets

On execution of a Derivatives Transaction by Openmarkets (or another Trading Participant where the Derivatives Transaction is allocated or transferred to Openmarkets as contemplated by clause D34 Give up to Openmarkets and similar arrangements) on behalf of the Client:

- (a) Openmarkets (and not that other Trading Participant or its Clearing Participant) is obliged as principal and has the Clearing Obligations (as defined in the ASX Operating Rules) for that transaction (including upon registration, obligations to ASX Clear as principal) even though the transaction has been entered into on the Client's behalf; and
- (b) the Client owes obligations to Openmarkets in relation to that Derivative Transaction including the obligations set out in this agreement.
- (c) Where the Client owes an obligation to deliver funds, security or information to Openmarkets that obligation will not be satisfied by delivery to the Intermediary.

D7. Rights of Client

[ASX Clear Minimum Term 4]

The Client acknowledges that any benefit or right obtained by Openmarkets upon registration of a Derivatives Contract with ASX Clear by novation of a contract under the ASX Clear Rules or any other legal result of registration is personal to Openmarkets and the benefit of that benefit, right or legal result does not pass to the Client. The Client has no rights, whether by way of subrogation or otherwise, against ASX or ASX Clear in relation to any transactions by Openmarkets (or any other Market Participant or Clearing Participant) in any Derivatives Contract.

D8. Appointment as agent

[ASX Clear Minimum Term 10]

The Client irrevocably appoints severally ASX Clear, and every director, manager and assistant manager for the time being of ASX Clear, at the option of ASX Clear (as applicable) to do all acts and execute all documents on the Client's behalf for the purpose of exercising the powers conferred on ASX Clear under ASX Clear Operating Rule 15 including, the power to transfer or close out Derivatives Contracts if Openmarkets commits an event of default.

D9. Application of ASX Operating Rules and ASX Clear Rules

[ASX Minimum Term 1, ASIC Minimum Term 3.1.7(1)(d)(vii) and ASX Clear Minimum Term 1]

D10. Openmarkets may call for funds or security

[ASX Clear Minimum Term 6]

Openmarkets may call for payment of money or the provision of other security (**Openmarkets Cover**) which Openmarkets considers, in its absolute discretion, appropriate in connection with the obligations incurred by Openmarkets in respect of Derivative Contracts entered into for the account of the Client. The Client acknowledges that Openmarkets is entitled to call for Openmarkets Cover under this clause of an amount or value which exceeds the amount of the Cover that Openmarkets is required to provide to ASX Clear in respect of the Derivative Contracts registered with ASX Clear in a Client Account in respect of the Client. The time by which the Client must pay any amount called or provide security is of the essence. The Client must pay the amounts, or provide the relevant security, within 24 hours of the call for payment.

D11. Application of funds or financial products to satisfy calls

The Client authorises Openmarkets to withdraw or otherwise apply funds or financial products held on the Client's behalf to partially or fully satisfy such calls.

D12. Authority to provide Cover

If the Client makes money or financial products available to Openmarkets as Openmarkets Cover (whether by delivery to Openmarkets or application by Openmarkets under this agreement), the Client:

- (a) warrants that the Client is legally entitled and authorised to do so, and that the Openmarkets Cover is free from all Encumbrances; and
- (b) authorises Openmarkets to pay the money and/or make the financial products available to ASX Clear as Cover.

D13. Interest in Cover

No interest is payable on money or other security provided by the Client to Openmarkets under this clause.

D14. Openmarkets may use money as Cover

Openmarkets may itself provide money or other financial products to ASX Clear as Cover for its Clearing Obligations and Openmarkets will retain any interest it receives on such money.

Section 4: Commissions and Fees

D15. Amounts Payable

[ASX Minimum Term 2, ASIC Minimum Term 3.1.7(1)(d)(iii) and ASX Clear Minimum Term 8]

The Client must pay to Openmarkets:

- (a) (as agent for the Intermediary) commissions, fees, charges and taxes, charged by the Intermediary in connection with dealings for the Client in ASX Derivative Products at the rates determined by the Intermediary from time to time and notified to the Client in writing; and
- (b) commissions, fees, charges and taxes in connection with dealings for the Client in ASX Derivative Products (including for the transfer of Underlying Financial Products following the exercise of an Options CCP Contract) at the rates determined by Openmarkets from time to time and notified to the Client in writing.

Commission is payable to Openmarkets on a contract executed by Openmarkets for the transfer of Underlying Financial Products following the exercise of a Derivatives Contract. Openmarkets will pass on part of that commission to the Intermediary.

The commission charged by the Intermediary to the Client is also collected by Openmarkets on behalf of the Intermediary. Openmarkets will account to the Intermediary for such commission after deducting fees that Openmarkets charges to the Intermediary.

Section 5: Money and Default

Section 6: Acknowledgments and Warranties

D24. Change of Participant

[ASX Clear Minimum Term 16]

If the Client receives a Participant Change Notice from Openmarkets and the Participant Change Notice was received at least 20 Business Days prior to the date proposed in the Participant Change Notice for the change of Participant, the Client is under no obligation to agree to the change of Participant, and may choose to do any of the things set out below.

The Client may choose to terminate this agreement as provided for in this agreement or by giving instruction to Openmarkets, indicating that the Client wishes to transfer its Derivatives Contracts to another Participant.

If the Client does not take any action to terminate this agreement and does not give any other instructions to Openmarkets which would indicate that the Client does not agree to the change of Participant then, on the Effective Date, this agreement will have been taken to be novated to the new Participant and will be binding on all parties as if on the Effective Date:

and, if the Client has executed before the Effective Date a Registered Holder Collateral Cover Authorisation under which the Client authorised a Controlling Participant to reserve (or withdraw) financial products registered in the Client's name in the ASX Clear Subposition as Collateral Cover for obligations in respect of Derivatives Contracts registered with ASX Clear in Openmarkets' name in a Client Account in respect of the Client, the Client is also taken to have appointed the new Participant and each director, secretary and officer of the new Participant for the time being as the Client's attorney to complete and execute a Registered Holder Collateral Cover Authorisation under which the Client authorises that Controlling Participant to reserve (or withdraw) financial products registered in the Client's name in the ASX Clear Subposition as Collateral Cover for obligations in respect of Derivatives Contracts registered with ASX Clear in the new Participant's name in a Client Account in respect of the Client.

The novation cannot take effect until the Client has received a notice from the new Participant confirming that the new Participant consents to act as the Participant for the Client. The Effective Date may as a result be later than the date set out in the Participant Change Notice.

The Client will be taken to have consented to the events referred to above by the doing of any act which is consistent with the novation of this agreement to the new Participant (for example by giving an instruction to the new Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.

This agreement continues for the benefit of Openmarkets in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes the novation not binding or effective on the Effective Date, then this agreement will continue for the benefit of Openmarkets until such time as the novation is effective, and the existing Participant will hold the benefit of this agreement on trust for the new Participant.

Nothing in this clause will prevent the completion of Derivatives Transactions or Derivatives Contracts by Openmarkets where the obligation to complete those transactions or contracts arises before the Effective Date and this agreement will continue to apply to the completion of those contracts, notwithstanding the novation of this agreement to the new Participant under this clause.

- (b) if ASX exercises its power under the ASX Operating Rules to cancel or amend (or require the cancellation or amendment of) the Derivatives Transaction or Derivatives Contract; or
- (c) in the event of an error (as defined in the ASX Operating Rules) or otherwise in the circumstances contemplated in the ASX Operating Rules.

D32. Tape recording of conversations

[ASIC Minimum Term 3.1.7(1)(d)(iv) and ASX Clear Minimum Term 9]

The Client agrees that Openmarkets may record telephone conversations between the Client and Openmarkets. The Client also agrees that Openmarkets may use such recordings for the purposes of resolving disputes, and monitoring compliance by the Client or the Intermediary with their regulatory and contractual obligations. If there is a dispute between the Client and Openmarkets, the Client has the right to listen to any recording of those conversations. Nothing in this agreement obliges Openmarkets to make or keep a recording.

Section 8: Allocation (Give Up)

D33. Openmarkets must consent to any give up

The Client acknowledges and agrees that Openmarkets is obliged as principal and has the Clearing Obligations in respect of all transactions in relation to ASX Derivative Products which are executed by Openmarkets (or by another Trading Participant and then allocated or transferred to Openmarkets) on behalf of the Client, unless, in relation to a specified Derivatives Contract (**Allocated Trade**):

D34. Openmarkets ceases to have Clearing Obligations following give up

D35. Give up to Openmarkets and similar arrangements
